Government of Telangana envisages to give impetus to the Irrigation by creating irrigation potential under the Major, Medium, Minor Irrigation sectors and accordingly taken up a large number of projects on priority basis including "Mission Kakatiya". The post of Engineer-in-Chief is the back bone in implementing and monitoring the projects taken up by the Government.

Be as it may, there are only two posts in the cadre of Engineer-in-Chief as per the allocation made to State of Telangana and out of which one post is vacant which can not be filled through regular promotion owing to the disputes and litigation over inter-se-seniority amongst engineers.

Therefore, and after careful examination of the proposal of the Engineer-in-Chief (AW), Irrigation & CAD Department, Hyderabad in his letter read above, Government hereby effects in-charge arrangement to Sri M. Krishna Rao, placing him in-charge to the vacant post of Engineer-in-Chief, in relaxation of Rule 10(h) of Andhra Pradesh State and Subordinate Service rules, 1996. On In-charge arrangement to the post of Engineer-in-Chief, Sri M.Krishna Rao is posted as Engineer-in-Chief (AW), Irrigation & CAD Department, Hyderabad, subject to the following conditions:-

- a). The incumbent shall continue to hold the pay-scale of the substantive lower post, i.e., that of AEE / DEE, and only discharge the duties of the Engineer-in-Chief after assuming charge, essentially as a temporary arrangement.
- b). This in-charge arrangement is subject to outcome of the court cases pending, if any in the Hon'ble Courts i.e., APAT/High Court / Supreme Court.
- c). This temporary arrangement shall be terminated as soon as the requirement is over, without any prior notice.
- d). The Government reserves the right to suo-motu review / modify / substitute / terminate the in-charge arrangement so made, without assigning any reasons thereof, at any time.
